

# PLEDGE 4 PATRIOTS

“We Support The Cause”

On behalf of the Board of Directors for **Pledge4Patriots**, I would like to extend an open arm for your support with our first major fundraiser.

On Easter Day a year and a half ago, a vision and mission is to work with the First Responders, Active Military, Veterans/Families (including the homeless, helpless, handicapped and spiritual needy) and the private patriotic institutions that protect and procure the artifacts and memoirs of our forefathers, i.e. museums, came to fruition. Pledge4Patriots Inc. is a 501c3 non-profit, trademarked, organization in the states of Florida and Missouri.

If it's an earth quake, tsunami, hurricane, tornado, or a child in need, a citizen of the USA must be a PATRIOT and do whatever it takes, one person at a time, to help support the cause.

Please join us in our first campaign to spread the word and participate in our fundraiser at

## **The Liberty Center**

as our **Pledge4Patriots** fundraiser for the homeless, brings a special one time performance:

**THE AMAZING KRESKIN** (see attached bio)

This fundraiser is for hundreds of homeless who are here in the local Sedalia community and the surrounding area. With your participation and support, Pledge4Patriots members, volunteers, and supporting local businesses will help provide the needy a new blanket for the winter season.

Sometimes we just don't realize that some individuals use whatever they can for warmth and shelter like newspapers, cardboard boxes, etc.

As we build a foothold for our vision and mission, we will putting together TV, radio, billboard and print/internet campaigns in support of our mission.

We respectfully ask you to do whatever you can, remember, it could be you in need one day!

Refer to the attachments, pass them on, become a sponsor, help us find a sponsor, get others to join in, or just come enjoy the show.

There is nothing more precious in this life knowing when we share...we care!

Our motto is "WE SUPPORT THE CAUSE!" Please open the door and give whatever you can when we knock!

Mr. Gregg Padgett, a local resident for over 35 years and a businessman and a PATRIOT, as well as our Vice President on the Board of Directors of **Pledge4Patriots** will be your main contact in Sedalia for the entire state of Missouri.

Come enjoy an amazing and mesmerizing night of mind bending entertainment!

Like THE AMAZING KRESKIN says, "EVEN NOW I KNOW WHAT YOUR THINKING" ... as all of us are doing something to help the needy!

Thank you for your support and look forward to meeting all you at the fundraiser.
